FOR WORLD-CLASS BODY CONTOURING

(It will mould to every part of your body contours, naturally)

World-class **iMattress** provides you to a whole new level of body contouring, pressure relief and luxurious sleep experience

iMattress is made with ultra high density (90 D) memory foam called **SuperMemory**, that senses and absorbs your body temperature. Its cells uniformly expand around your body contours to give a glove-like shape and lets your body adapt the most natural sleeping posture automatically, every time.

FOR WORLD-CLASS PRESSURE RELIEF

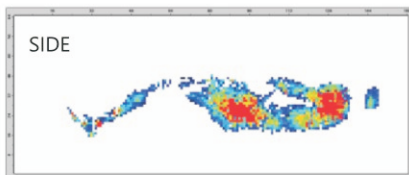

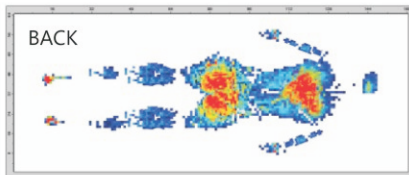

SuperMemory is one of the best innovation of our SLEEP GRADE FOAM. It is made and tested for PRESSURE RELIEF, which immediately acts on your muscles to release excessive pressure which stays in your body after long stressful day.

Changes in pressure maps on iMattress have been tested and compared with pressure maps on other mattresses and have shown high positive results in PRESSURE REDUCTION giving more relief to body.

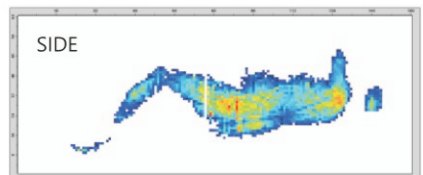

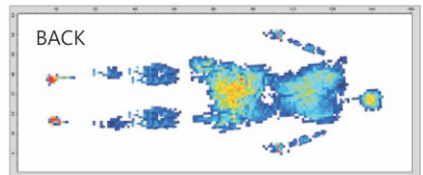

You will experience a new level of sleep every night!!
