Orthomatic DY

Different firmness levels with convenience, without investing in multiple mattresses

Orthomatic DY is another great option for users of orthopaedic type mattress. With dual comfort options, it is largely suitable to most of the preferences a body can feel comfortable on. Its unique construction design, made with super high density (100) UltraBond core with layers of comfort both sides, makes your choice even more comfortable. Orthomatic DY comes with medium firmness on one side and medium soft on another side.
